Jury Boosts Sentences in Enka Cases

Dates for Calf Vaccination Set By County Agent

Four-Day Program To Start Tuesday At Drinnon Farm

There will be another calf vaccination program on February 20, 21, 22, and 23 at stated places in the county for the control for bangs disease, it was announced yesterday.

Bangs disease is controlled easiest by calfhood vaccination, between the ages of four and eight months. Several people have stated that they want their calves vaccinated and the time and place has been arranged. The schedule below will indicate the time and place when the veterinarian will be at the places for vaccination. Any person interested in having their calves vaccinated can do so by having their calves at the nearest place mentioned on the schedule," County Agent C. H. Balch said.

"We hope that all farmers who are going to keep their heifer calves will take advantage of this opportunity in helping clean out the bangs disease. Remember the time, place, and hour and the calves should be between the age of four and eight months."

Tuesday, February 20, Mrs. A. T. Drinnon, Rt. 2, Morristown 8:30, 4 calves; Mrs. C. A. Owen Rt. 2, 9:00, 2 calves; Mr. J. B Neill, Jr., Route 2, 9:15, 5 calves; Mr. R. E. Peoples, Rt. 1, 9:45, 3 calves; Mr. Neill Catron, Rt. 1 10:00, 1 calf; Mrs. Thomas James, Rt. 4, 10:15, 5 calves; Mr. D. H. Mayes, Morristown, 10:45, 7 calves; Mr. Lee Roy Arwood, Rt. 3, 1:00, 1 calf; Mr. D. Wallace and Mr. J. L. Orrick, Rt. 3, 1:15, 1 calf; Mr. R. C. Bacon, Rt. 4, 1:30, 5 calves; Mr. Shelby Vineyard, Rt. 3, 2:00, 4 calves; Mr. Frank Brimer, Rt. 3, 2:30, 2 calves; Mr. D. C. Cantrell, Rt. 3, 3:00, 7 calves; Bell and Austin Farm, c-o James Bell, Rt. 1, 4:30, 3 calves.

Wed., February 21st, Mr. W. E. Thompson, Rt. 5, 8:30, 2 calves;

Some of those who will be in the woman's chorus for the minstrel portion of the Kiwanis show starting Thursday night.

The minstrel line gets in its High Cs as it prepares for the opening in the High School Auditorium

Kiwanis Kapers This Week

Kiwanis Kapers last night went into its final week of rehearsals and club members announced some $250 worth of door prizes to be given away at the first night of the show.

Director Norman Stone said that the cast is now rounding into excellent shape. Rehearsals will be moved to the High School Auditorium tonight and the dress rehearsel will be held there the following night.

Practices are going ahead on a two-a-day schedule now with Lorarine Lee serving as practice pianist for the afternoon sessions and with Becky Hyatt taking over for the evening work-outs. Last night saw the entire show rehearsed together for the first time but still there are individual acts practices scheduled until Thursday night, the opening night.

The door prize ing night will be gas logs from the Tennessee Gas Company, a cedar chest from Morristown Chest Company, a chair from Modern Upholstered Chair Company a portable radio from Sterchi's a watch from Nelson's Jewelry and a table from Novelty Manufacturing Company.

Lions Club Honors Member

Cliff Pierce Week Is Celebrated

Lion George Hall, Knoxville spoke to the Morristown Lions Club last night at the Green Room of the Little Dutch.

Lion Hall talked of the observance of the Clifford D. Pierce Week which is being observed Feb. 18-24. Clubs throughout Tennessee will honor Lion Pierce.

The speaker told of the important part Lion Pierce played when he was International president. At this time he cemented relationship with South American countries not only with Lion Clubs in that hemisphere but internationally. The speaker said that Pierce was instrumental in bettering the Lions Clubs throughout the United States.

Bill Ramsey was inducted as a new member into the Club by Lion Hall.

Eleven Persons Tried In City Court

Eleven persons were tried in City Court Monday by William Rouse, city judge.

Four were tried for public drunkenness, four for speeding, one for disorderly conduct, one for public drunkenness and disorderly conduct, and one for running a traffic light.

Winter Term of Court Starts in Hamblen

Jurymen were appointed and the first cases in the February term of the Hamblen County Circuit Court were tried yesterday.

Judge Shelburn Ferguson was on the bench and 97 cases were on the criminal and civil docket in the office of the Circuit Court Clerk Grover Trent.

The case that drew interest throughout the town was that concerning 22 persons who were charged with committing an indictable offense. Both the defense and prosecution recommended that each of the 22 persons be fined $100 and costs. The jury returned with a verdict htat overrood this recommendation and found the parties guilty and recommended that they be fined $250 and costs and be given 60 days in jail.

W. C. Lowe and Ed Shipe pleaded guilty to committing an indictable offense and were sentenced to $25 and costs on each offense. This totaled $80.50 for Lowe and $94.75 for Shipe.

Frank Wilson, colored, who was charged with breaking into Howard's Cleaners was found guilty and sentenced with three years and one day in jail.

Ezell Stansbury charged with forgery pleaded guilty and was sentenced to eight months in jail. Four months were suspended.

Members of the Grandy Jury are: C. I. Hurst, foreman, Sherman Brady, Luke Mitchell, Sterling Elkins, R. H. White, Jim Shuffet, A. J. Breeding, Will Cantwell, Cecil Skeene, Rufus McElhaney, W. S. Holdway, N. C. Whetsel and Wallace Nelson.

Men in Panel No. 1 are: Frank Trent, Dana Morgan, Kemp Newman, John A. Bewley, Clay Davenport, J. S. Charles, Harmon White, Pence Collins, Ed Payne, G. H. Kennickk, R. T. Darnell, and Claude Hix.

Panel No. 2 is composed of W. R. Calloway, Vernon Carpenter, G. Wilder, Eugene Bacon, Harley Shaver, John Bruce, Ayers Porter, Wallace Baxter, H. P. Portrum, G. F. McClanahan, Dan Hodge, and C. E. O'Dell.

Furniture Firm Starts Removal

Sale Opens; Begin Remodelling Soon

Johnson and Christmas, long time Morristown furniture dealers this week were taking first steps toward moving into their own home farther west on Main Street as they opened their removal sale.

Operators of the downtown store announced last night that "all furniture is being cut in price in spite of the fact that this is a time when furniture prices seem destined to go higher. We are determined to move as little of our present stock to the new building as possible."

Some three floors of furniture will be included in the sale.

Beginning March 1 the firm will begin improvements on the building it owns on West Main Street which recently was occupied by Watsons. The furniture firm has secured the Bellaire Building adjoining this and will have a 100-foot front to add to the display space.

A modern display front will be provided the entire length of the Johnson-Christmas building beyond.

The Johnson and Christmas firm was started in Morristown in 1912 by the late J. O. Christmas, father of J. B. Christmas of the present firm. With him now is associated T. W. Johnson.

Wallace Hardware Men Attend Meet In Knoxville

Three members of the Wallace Hardware staff attended the Indoor Comfort Conference, National Warm Air Heating and Air Conditioning Association, in Knoxville Friday and Saturday.

Paul Dickerson, R.B. Lovette and Ben Allev attended the conference. The local store, Wallace Hardware, is a member of the association. Experiments are conducted by the group. Studies and experiments along this line are conducted by the association a the University of Illinois. Members of the association aim is to create better heating and air conditioning systems throughout the country.

Robbery Report At Local Store

Persons Enter By Breaking Glass

Chief of Police Buck Kelley announced yesterday that a break in had been reported at the Hatfield Brothers establishment on North Cumberland St.

Chief Kelley said that approximately $10 in merchandise and valuables had been taken by the person or persons performing the theft.

Fingerprints have been taken of the scene of the theft said the police. Chief Kelly said that the work appeared to be that of a youngster. Entrance was made in to the building by breaking out a window.

Police said that entrance was either Saturday or Sunday night and its signs indicate that it must have been Saturday.

Long Services Held Monday

Funeral services were conducted at 2:30 p.m. yesterday for Miss Dora Long, long Hamblen resident and descendant of two pioneer East Tennessee families who died at 11 a.m. Saturday at her home on Buffalo Trail.

The rites were conducted at the First Presbyterian Church by her pastor, Dr. S.H. Hay.

Interment was in the family plot at Bethsada Cemetery where six generations of the Long family are buried including the Revolutionary War ancestor.

She was the daughter of the late William Henry Long and had lived practically all of her life at the family home place on the Holston River in Hamblen County. She moved to Morristown when the waters of Cherokee Lake covered her home.

Almost her entire adult life was devoted to teaching. She entered the field when she was 16 and for many years taught in the Sherwood School with her sister Miss Berta Long, who preceded her in death.

Hailed as "a born teacher, she loved children and in turn was loved by them."

Survivors include three sisters Mrs. Taylor Moore, Morristown Mrs. Robert Murray, Russellville and Mrs. J.C. Murray, Winchester one neice, Mrs. Clyde Chappell Jackson; one nephew, Charles B Murray, Winchester; three neices and one great nephew.

Twelve Men To be Inducted

Call No. 11 was received yesterday by the Hamblen County draft board for 12 men to be delivered to Knoxville March 13 for induction into the Armed Services.

The call was confirmation of a preparatory call that was received last week notifying the board of the coming induction. It was signed by John B. Elliott, state director of the Selective Service.

College Choir Will Sing Tonight

Tonight the MNIC Choir will be heard at the Lonsdale Methodist Sub-District Youth group meeting; Wednesday night the Ensemble group will journey to Hiwassee College at Madisonville Sunday the Choir will be heard twice at Harriman and at Emerald Avenue Methodist Church at 7:00 p.m. in Knoxville.

Hamblen County Agent Gives Hints On Curing Cattle Grub, Heel Fly

We should normally think that the cold weather would hold anything in check, but the dreaded grub or heel fly has already been noticed in a few cases in the county.

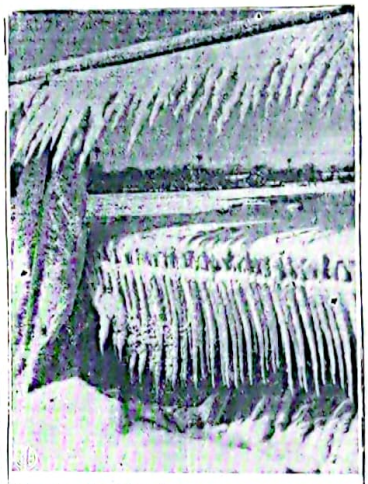
There are two species of the grub—the northern and southern, with the northern species doing the most damage to the cattle here in Tennessee and Hamblen County.

We first noticed the grubs when they appear on the backs of the cattle about this time of year. If you want to know whether or not you have any grubs, just run your hand over the backs of your cattle, if you feel these grubs, or bumps on the backs, then you need to use some control measures.

The best control in Rotenone powder—one per cent or more in strength, some water in a pan, a brush and some soap. For best results place some warm water in a pan, add enough soap flakes for a good lather, then add the one per cent or stronger Rotenone powder, stir vigrously until the soap and Rotenone is well disolved, then apply to the back of the cattle with a stiff brush or a broom. One pound of Rotenone will be enough for eight to ten cattle. The application should be applied all over the back where the grubs are. And should be repeated within fifteen or twenty days.

The grubs if not killed in the backs of the cattle, will emerge from the cattle, fall on the ground, burrow themselves in the ground and within a month or so come out of the ground a full grown heel fly. This heel fly then tries to lay their eggs on the heels of the cattle and in doing so causes the cattle to run over the fields. This running naturally causes the cattle to loose beef or milk, whichever the cow is producing.

Bath House Temperaturer Low



AN ICE VIEW—Looking like jagged teeth of some prehistoric monster, these icicles from a guard rail and pier flooring frame this winter scene at the Ontario Beach Park bathhouse, at Rochester, N. Y. In a few months the place will be alive with people, but for now Old Man Winter has it all to himself.

Farm Bureau Kick Off Meeting Set For March 1; Drive Set Next Day

District leaders, team captains, and members to be selected by the county Farm Bureau organization committee and the campaign director will attend a county "kick-off" meeting set March 1.

The membership drive will be conducted on March 2, which has been designated as "Farm Bureau Day," when every farmer in Hamblen County Farm Bureau in a unified effort to solve their mutual problems and participate in the benefits offered members.

In discussing the need for such an educational campaign, Wallace Barrett, president of Hamblen County Farm Bureau, said, "At the present time we have only about 25 per cent of the nation's six million farmers in Farm Bureau. We feel that the problems of farm people, such as better medical care, better schools, better roads, etc., will be solved only when enough farmers join together and work hard enough to accomplish these things. That's why such a campaign as this is necessary."

Hamblen County was represented at the one-day Farm Bureau training school, held February 6, at Farragut Hotel, Knoxville, by Mrs. Prentice Moyers, who is county membership campaign director for 1951. Others attending were: Mr. Wallace Barrett president, and Miss Bobbie Mayes, secretary.

The school was one of several held over the state by the State Farm Bureau in preparation for the statewide informational and membership campaign designed to familiarize every farmer with current agricultural problems and all activities of Farm Bureau and its affiliated services.

Snoddy Escapes Serious Injury

Mrs. Walter Hale of Witt's and Miss Elizabeth Snoddy of First North Street have learned their brother, John W. Snoddy, escaped seemingly serious injuries from an automobile collision while driving in Washington, D. C.

Mr. Snoddy was crossing an intersection when a 1947 Chevrolet driven by a woman hit his 1948 Dodge at the left rear door, pushing the Dodge across the intersection into the curb, striking a tree and crushing the Dodge beyond repairs.

The impact threw Mr. Snoddy across the seat and out the right side of car onto the side walk. His head came to rest near the inside of the side walk. He was knocked unconscious until the arrival of an ambulance when he came to, and was able to walk unassisted to the ambulance. He was taken to the hospital, treated for shock and X-rayed, and released.

Shirt Sleeve Weather Here; High Today 72

High 72 degrees! Professor Weatherspout gargled that this is the highest he can do for sometime due to his ethics as a weatherman.

You can expect some showers as well as heat today. "What do you expect all in one day?" The old prophet said that this should convince those persons that he can get warm weather here when he wants to.

Again the professor was able to get a nice weekend so that fishing could blossom forth on Cherokee Lake. "I hope everyone was said the prophet."

Methodist Meet Set March 1

A Methodist Youth Fellowship sub-district meeting will be held March 1 at Whitesburg Methodist Church at 7:30 o'clock.

The following charges or churches should be represented with large delegations: First Methodist Church, Centenary, Bridgers, Morristown Parish, and Morristown Circuit, Morristown; Mooresburg, Bulls Gap, Persia, and White Pine.

Rev. Earl Hunt Jr. is the newly elected counselor of the Morristown Sub-District. Under his direction is the Sub-district Staff:

President, Buddy Dickerson; Vice President, Lewis Warren; Secretary and Treasurer, Betty Roy Messer; Worship Chm., Charlotte Hurst; World Friendship, Reba Buchannan; Recr. Chairman, Harold Overton; Comm. Service Chairman, Tom McCray; Pub. Chairman, C. W. Stump.

Nineteen Cases In Sessions Court

Nineteen cases were tried in General Session Court Monday morning by Judge Milburn Line.

This is said to be the largest General Session docket at the Court House in months. Eleven cases were charged with public drunkenness, six with traffic violations and two with drunk driving.

Overrides $100 Fine Agreement Reached Earlier

Asks $250 Fine And Sixty Days On Changed Counts

Over-riding an agreed verdict against some 23 Enka strikers, a Hamblen Jury in Circuit Court yesterday recommended fines of $250 and costs and 60 days in jail to provide surprise wind-up for the trials of walk-out leaders.

A $100 fine for the approximate two dozen strikers whose cases had been continued over from previous court terms had been agreed upon. The charges against these had been changed from "conspiracy to commit a felony" to "committing an indictable offense" by agreement of the Attorney General Herman Conway Smith with the prosecutins and defense attorneys.

Next the attorneys agreed on the $100 fine. This fine was in line with assesements which had been levied in the earlier trials, where the figure ranged from $25 to $175.

However, the jury filed out and came back with its own recommendations. It was that the fine be $250 and the 60 day sentence be levied.

The cases heard yesterday were regarded as the "last" of the actions arising out of the Enka strike of last year. All of the cases had been grouped together for quicker handling and it was expected that an agreed fine for all would go through.

Attorneys said last night that the over-ruling of agreements on sentences is rare. They said there undoubtedly had been previous instances in court history here but could not say how long it had been since the last instance.

Those tried yesterday were not hailed as the "leaders" in the strike movement since the cases of most of those had been heard earlier.

Assisting in the prosecution were W.J. Barron and Earnest Taylor, and assisting in the defense were Oscar McMahan and R.S. Cahoon.

The defense was expected to ask for a new trial in the case today.

Two charges of "casting a missile" against Ed Shipe and W.C. Lowe were heard at the same time and the judge had set the fine on these at $25 while the jury was out. These fines remain at this figure.

All of these cases grew out of the Enka strike of last year when three workers were seriously wounded, many cars were stoned and overturned and legal actions involving millions were filed.

Control South Bank of Han River Line

Enemy Is Using Medieval Weapons To Delay Americans

TOKYO, Tuesday, Feb. 20 —(UP)— Allied Forces in Korea swept forward in th wake of a general communist withdrawel yesterday to seize a 30-mile stretch of the Han River bank east of Seoul and iron out a red bulge in the east-central mountain line.

Lt. Gen. Matthew B. Ridgeway announced that the communist offensive in Central Korea had been smashed and the Chinese were withdrawing. United Nations troops swarmed northward on their heels. Gains of four miles in West and Central Korea were added to those up to seven miles the day before.

An American task force smashed back the only major resist-

CORRECTION

The Lions Club of Morristown is sponsor of the Hamblen County March of Dimes. To date $5368 have been collected by various individuals and turned in to the club. Another organization was named as the sponsors of the even in the February 16 issue.

Triplets

● Dames

Harry Gluck likes to tell one on himself about his early days here in Morristown.

He had been here many months before Mrs. Gluck arrived.

And one morning his neighbor, a Mrs. King, was starting to walk to town. Being by nature a gentleman, he obligingly offered her a ride to the business district.

He drove into the downtown area and opened the door for Mrs. King at the bank corner. Then he proceeded on out to the factory.

Altogether, he estimates, the trip took three minutes.

But by the time he had arrived at the plant, he found out, the phone had rung several times.

The callers wanted to know if it was true that Mrs. Gluck had arrived in the city.

These callers could have whipped up a welcome party for her in another three minutes.

● Names

And C. H. Balch had a phone call one morning.

"I'd like to get your autograph," the voice over the wire told him.

He got all set for that one . . . may even have tried it with a few flourishes.

Then he had to go out on a call and wasn't there when the caller arrived. She was, however, busy at work when he returned.

Yes, what she had wanted was his mimeograph.

● Games

And Frank Davis was telling about the time a visitor in the city was arrested and paid off a fine.

He got a receipt that looked very businesslike, so a few decided to see if it couldn't be cashed.

It went to the bank and drew a few lifted eyebrows—no one could figure what bank it was on, although they admitted that it was properly signed and endorsed.

Then it went to Glenn Rutherford and that was that.

A few days later, Frank Davis presented a Postal Money Order Receipt at the bank for payment.

The teller looked at it, saw that word "receipt" and passed it back.

"Oh, no," he declared, "you got me on that once before, you're not going to get me again."

SUBSCRIPTION RATES

By carrier (in the city) 15c per week. By mail (in Hamblen County and immediate area) $4 per year. By mail (outside Hamblen County area) $5 per year.

THE SUN'S PROGRAM OF PROGRESS

All possible aid to industry so that more and better jobs may be available for the area's workmen.

A Community Center Building and development and expansion of all undertakings offering wholesome recreation.

Improvement of streets and a comprehensive program of community beautification.

Encouragement of new construction to provide for rapid community growth.

MAKING ROOM FOR ONE MORE

To the service clubs of the city, one more has been added. The Rotary, Lions, Kiwanis and Optimist Clubs, which serve the city through the men; and the Pilot Club, which serves through the women, have now been joined by the Key Club, which serves through the youths of the high school.

There's just as much a service club as any of the other five. Wherever these clubs are in existence they cut out a big slice of work—for the school and for the city. And with youthful enthusiasm and vigor they get the many jobs done.

It isn't an 'honor' society in the society sense of the word, although over the nation the organization has come to reflect highest honors on its members. It isn't a fellowship organization entirely although there is some of that, of course.

The excuse and reason for the Key Club—and the thing that makes it great—is that it is beamed at building and serving others.

* * * * *

THE CITY SPREADS OUT

Last week application was made by the owner for entry of the new Brown Addition to the city.

There are 70 acres in this addition to be added to the city. It makes a rather sizable addition in area. And sales of lots are said to be moving ahead in the area so this may soon mean more homes and more population.

But the fact that a subdivision asks its way into a city is worth more than just passing comment. Elsewhere over the nation, many many cits are trying to extend their city limits—by referendum, by agreement, by legislative act and by litigation. And still many of these are still on the inside looking out at the expansion they'd like to claim.

So its a bit of a healthy reflection on a city that a subdivision does ask to be invited into the corporation.

Of course there's a little more to it than that. There's a cost and a responsibility on the city's part. It must extend its services into these new areas if it wants to collect taxes from its citizens. And it must make the first overture—it spends before anything is coming in. In the long run there's a balance—the city gets as much as it spends, for cities aren't run on a profit basis. That was the reason why cities incorporated in the first place . . . so that everyone could chip in for the payment of streets, public buildings, fire and police protection and the other civic services.

When a city does expand with the volition of the people on the outside, though, it does make for a better city. There are more people to help pay for and to allow better facilities in a city. Technically speaking, the larger and more tightly packed a city, the more and better facilities it can offer for everyone.

* * * * *

THE PUBLIC WOULD KNOW THE FACTS

It must rank as a source of regret to most citizens on this great land that an unbiased report cannot be secured on some of the issues of the day.

Not the least of these issues is the claim of communist infiltration into the State Department, into government in general.

The thought of reds in this government is more than alarming to most Americans. It is unbelievable, unpalatable and intolerable.

But there is a confusion before the people. One side holds up the group and paints its members as double-dyed traitors. The other political party whitewashes them.

It is only too bad that an impartial group—one far from the realm of politics—cannot do the investigating. Of course, there is such a group—the FBI, but this group has never tried to serve as jury. It simply investigates, and it presents its facts only to the courts, not to the American people.

That's as it should be—the FBI's job is to secure solid testimony. But in the meantime the political figures are being less quiet. They are dealing often in truths . . . sometimes, perhaps, only in half truths. If you would condemn a man today, just hint that he is a communist.

There is no question in the minds of the real Americans today but what there are reds in the government. The testimony is on the court records, it can be seen in the government's mistakes and socialistic leanings.

But the average American would like to see these men and women better marked. No one wants to see an innocent smeared, but he would like to know the name of every real and potential traitor in his employ. He thinks it is only good business to have the enemies within all carefully marked by that same impartial investigator. There is nothing so discouraging as fighting the dark.

Much, much better, of course, would be a complete expulsion of all these traitors, potential or otherwise, but the American system does not reach to that virtue today.

Miller Funeral Today; 2 p. m.

Was Born 1852 Near Russellville

The long, full life of Mrs. Catherine Ann Taylor Miller has drawn to a close and with her passing it would seem the close of an era. Mrs. Miller died at Kingswood School where she had made her home for several years, at 7:20 a. m. Sunday.

Mrs. Miller was born August 3, 1852, at Greenwood, the home of parents, Franklin William and Eliza Graham Taylor, near Russellville. In 1875 she was married to Willie Blount Miller, who died in San Antonio, Tex., in 1890. Her married life of fifteen years was spent in Hawkins County, part of the time in Rogersville. From her girlhood her spirit reached out to the wider horizons of life and continued to do so, as evidenced by her continuing desire for knowledge.

When a young woman she was graduated from Mary Sharp College, Winchester, Tenn., and as time went on she received an A. M. Degree from Columbia University, and a Bachelor of Divinity degree from Hartford Theological Seminary, Hartford, Conn.

Mrs. Hartford was generous in allowing others to be benefitted by what she , by her efforts, had attained. She was teacher of Bible in Rogersville Synodical College, and gave her time for ten years as teacher of Bible at Lees-McRae College, Banner Elk, N. C. She had a Sunday School class in the local Presbyterian Church and for several years a women's Bible class on a week day morning, meeting in a private home, which was attended by interested friends in the town.

One who is capable of judging and in a position to know has said that Mrs. Miller was the outstanding Bible teacher of Applachia Synod.

Mrs. Taylor was generous in abroad to Europe and the Holy Land which enabled her to give a personal touch to her teaching. Through her many years of invaldism her mind remained clear and active. In very recent weeks, as her nurses read to her from the Bible, she discussed with them and explained portions in which they were especially interested.

A pleasing characteristic of Mrs. Miller was her enjoyment of the humorous and callers to her room rarely left without having heard her relate some incident which brought a smile and cheerful uplift. She has passed from the seen to the unseen; her works remain to tell her story. She has made of her years and her attainments a blessing which spreads its influence far and wide and which will live long in the hearts and in the history of those who have learned from her.

In her death Mrs. Miller is mourned and loved as one who has enriched the world by passing through it. She is survived by the following nieces and nephews: Mesdames N. C. McCanless, William Lewis, M. C. Horner, Lucy Carmichael, and Walter Harrell, Miss Louize Forgey, Charles V Taylor, John S. Taylor, F. H. Forgey, David S. Forgey, Frank William Taylor, and J. Feamster Taylor.

Mrs. Miller was a member of the Russellville Presbyterian Church.

The funeral service will be held at Stetzers Funeral Home at two o'clock Tuesday afternoon, and will be conducted by the Rev. William C. Young, a former pastor, and by Dr. S. H. Hay. Interment will be in Rogersville.

SCRUB TIME — Metalsmith 2/c John Burlow of Chilton, Wis., crew member aboard the U.S.S. Dixie, gives a Korean youngster a scrubbing. He and his shipmates played host to a group of orphans when the children visited them at an undisclosed Korean port.

City Stretches Revenue

BELDING, Mich. (U.P.) — City parking meters yeilded 16,200 last year. The sum was enough to pay for snow removal in the business district, pay the salary of one fulltime police, provide a new parking lot, pay for repair of the meters, and enabled the city to buy several new ones.

Believe Driver Has Amnesia

Fell From Truck; May Be Cause

NEWARK, N.J. Feb. 19-(UP) A Newark truck driver may be hauling $1200 worth of cookies over some strange highway many miles from home today with his memory blacked out.

The last time Christopher Hart 27, was seen was last Thursday on the 13th stop of his delivery run. His pretty wife, Joan,25, and police believe Hart has suffered an attack of amnesia.

Police of 13 states searched for Hart and the cream colored, 1 1-2 ton National Biscuit Co. truck.

P.M. Stoll, manager of the company, worried more about Hart than his missing carload o cookies. He said the former air force veteran had been an honest and loyal employee for five years.

Stoll suspected Hart had lost his memory temporarily as a re sult of a brain concussion he sustained of stealing the truck.

Hadacol Helps New Mother

HADACOL Supplies Vitimins B1, B2, Niacin and Iron in Which Her System Was Deficient

Mrs. Lottie F. Edwards, who lives at Route 1, Inverness, Miss., has two careers. . . . she is a registered nurse and also a wife and Mother of a new baby. After her baby was born, Mrs. Edwards felt rundown; she knew she had to do something to help overcome this condition so that she would feel up to her many duties. Mrs. Edwards began taking HADACOL and says it really helped her. Mrs. Edwards was suffering a deficiency of Vitamins B1, B2, Niacin and Iron, which HADACOL contains.

Here is what Mrs. Edwards says: "I have taken one bottle of your HADACOL and am now on my second bottle, and I can say it has really helped me. After my baby came I didn't feel likke walking around, I had headaches and was very nervous, and even one bottle has helped me so much, I want to keep on taking your wonderful HADACOL. I will certainly recommend it to all patients I come in contact with, for I think HADACOL is just the formula needed for Vitamin and Mineral deficiency."

Registered nurses, in increasing numbers, are showing a keen interest in HADACOL and in the results that are being secured with this great modern formula. Requests have been received from many of these nurses for professional bottles of HADACOL and many of them indicated that they recommend the HADACOL formula to their patients. HADACOL has helped folks of all ages when their condition was due to a deficiency of Vitamins B1, B2, Niacin and Iron, elements which are contained in HADACOL.

Group Demands State to Change Divorce Laws

'Fraud and Collusion' Named by Lawyer

NEW YORK, Feb.19.—(UP)— The New York City Bar Association today joined a special citizens committee in demanding that the state's divorce laws be overhauled to eliminate "widespread fraud and collusion" in their operation.

Whitney North Seymour, president of the association, said his group backed a bill introduced in Albany this week by assembly woman Janet Hill Gordon for creation of a divorce commission to study the situation.

Under the state's present divorce laws, only adultery is recognized as grounds for divorce.

"For many years, Symour said "this association has been concerned by the widespread fraud and collusion which now prevents the dissolution of marriages in this state."

He said the Gordon legislation "should have the support of all citizens interested in correcting what has come to be recognized as an unnecessary evil."

Strong support for creation of the commission was voiced also by Rev. John O. Mellin, pastor of New York's First Presbyterian Church, who has just been named chairman of the citizens' committee on improvement of the divorce laws.

"The operation of our present laws dealing with the dissolution of the marriage ties is in every sense of the word immoral," Mellin said.

"New York deserves better laws than these. Law and morality together are the foundation of our society. We cannot have immoral laws any more than we can have legal immorality."

Small Change Unwanted

HOUSTON, Tex. (U.P.)—An indignant burglar couldn't be bothered with small change. He left $2 in pennies scattered on the floor after entering the home of Miss Gwen Longnecker, smashing a glass piggy bank and getting away with $32 in bills and silver.

Class Dismissed

Cambridge, Mass. (U.P.)—Guy Wallace, driving school instructor, was teaching a pupil when police drove alongside and arrested him in connection with bdrglaries at a catering concern cern where he formerly worked.

Picture Has Bugs in Scene

GAAND ISLAND, Neb. (U.P.) —A woman brought her box camera to James Bost's camera shop here with the complaint that every time she took a picture the film looked as though it had a bug on it.

A check showed that it actually had.

A bug apparently had crawled into the camera while the shutter was open and died there.

A Shelby for Christmas

. . . every youngster's dream!

It's a thrilling, happier Christmas when your daughter finds a handsome Shelby 51-A (52-A for boys) under the tree! Shelby's beautiful colors, and many plus features will make her proud to own the best! Give her a SHELBY—the quality leader among bicycles!

Mrs. Gerkins and Mrs. West are members of the Junior Chiltowee Club of Maryville which won the outstanding honor of third place in the United States in last year's "Build a Better Community Contest". Mrs. Lowe is president of the senior club in Maryville.

Bringing a delightful musical program will be Mrs. Eldon A. Pearson, who will be accompanied by Mrs. Jack Britton.

This is the Sixty First Anniversary meeting of the Ladies hostesses for the birthday meet are Mrs. Horace Hale, Mrs. Sam Atkins, Mrs. Thomas Benning and Mrs. Paul Beets.

McPherson Rites Today, 3 p. m.

Funeral services for Mrs. Anna Walden McPherson, 70, who died at 10:05 p. m. Sunday will be held at 3 p. m. today at First Methodist Church.

Interment will be in Jarnigan Cemetery.

She is the widow of the late Charles T. McPherson. Surviving are one daughter, Mrs. Austelle Sims, two granddaughters, Agnes and Charlotte Sims, Greeneville.

Rev. Earl Hunt assisted by Rev. Robert Johnson will officiate at the funeral services. The body will be removed from Stetzers Funeral Home to lie in state one hour before the services.

Carol Cooper Has Seventh Birthday Fete

Carol Cooper, daughter of Dr and Mrs. J.K. Cooper, invited a group of her young friends in Saturday afternoon from 2 to 4 at "Breebe Hill Farm" to celebrate her seventh birthday.

The guests were greeted at the gate by the hostess and each had a ride on the pony which had been loaned for the afternoon by Warren Carpenter. After the ride the group was invited into the house where a movie, "Johnny Learns His Manners," was shown. This film had been obtained through the county agent's office from the Extension department of the University of Tennessee and was throughly enjoyed by the children.

A refreshing fruit drink was served with Mrs. Alvin Carpenter presiding at the punch bowl. The children played games from which each received a prize.

Refreshments consisting of ice cream, and cake. The beautifully decorated birthday cake was a gift of Miss Mae Smith.

Mrs. Cooper was assisted in caring for the guests by, Mrs. Alvin Carpenter, Mrs. George N. Smith Mrs. Robert Penland, and Mrs L.D. Sullivan.

Carol wore for the occasion a frock of pastel blue and a lovely corsaide of pink carnations which had been presented to her by Warren Carpenter.

The guest list included; Billy and Carolyn McClister, Minnie Sue Hall, Eleanor Tweedie, Barbara Hall, Rebecca Sue Sartor, Taylor Jones, Ann Lee Wright, Carol Carpenter, Judeth Smith, Carol Lowery, Laura Catron, Richard Sentelle, Julie, Janet and Corsaige Vaksdal, Mary Ann McCrary, Pamela and Penelope Sullivan, Timothy Bible, Gwyn Fox Jean and Freda Lane, Eddie Cox Jesse and Mary Nulle Lonnie Coffee and Anderson. Carol received many lovely gifts.

James F. Hale Given Surprise Canasta Party

James F. Hale was honored Saturday night when his wife tendered a surprise canasta party in his honor at their lovely country home, "Riverview".

The receiving rooms were decorated with spring flowers, creating a cheerful atmosphere and individual cherry trees centered the card tables. Delicious refreshments consisting of an ice course coffee and nuts were served. High scores for the evening went to Mrs. Hugh Cameron and J.H Minton. Mr. Hale was presented with many useful gifts.

Guests included Mr. and Mrs Otis Hurst, Mr. and Mrs. J.T Hurst, Mr and Mrs. J.H. Minton of Tazewell; Mr. and Mrs. Vernon Hale, Mr. and Mrs. Lynn Carter Mr. and Mrs. John Cooper, Mr and Mrs. Hugh Cameron, Mr. and Mrs. Claude Sawyers, Misses Mary Love Smith, Hazel Hale Gordon Woods.

Witt Baptist Union Has Fete

The Intermediate Training Union of the Witt Baptist met Feb. 14 for a Valentine party at the home of Mary Harold Kesterson. The guest were greeted by the hostess. SPORTS

Tournament time approaches:

The Morristown Hurricanes will have about ten hands in the pot to decide who is the champion of the Region One, District Four basketball circuit. The boys will give argument to the winner of the New Market-Sevierville game.

Maury High of Dandridge is the site of the Region Four playoff. The tournament will begin Feb. 28 and end March 3. The girls of Morristown will play one week later in a tournament that is to be held in Sevierville. They will tangle with Rush-Strong have the reputation of winning most of their games.

Teams that will partielpate in the boys tournament are Dandridge, Sevierville, Phi Beta Phi, Pittman Center, Chilhowee, Morristown, Jefferson City, New Market, Rutledge, Washburn, Rush Strong and White Pine.

How are their chances? The boys from Turkey Creek have a better than average chance to win in the tournament and go to Nashville to compete in the state playoff. The local boys are stocked in the height department. With Frierson, Spoone, Cunningham and Thomason scrapping for the ball, Petie Siler has advantage over most of the teams. That is he does, if the boys are on the ball and rebounding for the ball. Jones, Lingerfelt, and Frierson have proven that they can thread the basket with the ball. Points are the results and MHS seems to have a good opportunity to get them and take the tourney.

As for the girls the situation doesn't look as bright. They have suffered more than their share of losses this season. Duncan has been the player who has continually sparked the locals when it has been their time to take a game. Britton is next in line with scoring honors. If either of these gals foul out during their tournament play the female side of the Hurricanes will have had it.

* * * * *

Tonight Knox High will play Morristown for the last time in any athletic event.

What else could local sport fans ask than a victory over the boys from Knox? The visitors have been seeded third in their regional playoff. Knox Catholic and Rule are the first and second choice. This doesn't prove that the Knox High five can't play the game. Morristown will be the underdog but will have the advantage of being on the home court. This is always an added feather in the cap of the locals. Most teams trip over their own feet when playing here.

Coach Siler said that the 'Canes are ready to go and will do their best to take one from the Knox five.

* * * * *

Where is Knox High going? Next year it will be East High. Charlie Moffet will coach the East boys while Sam Jones will be overall athletic director. Norman Messeroll will take over the handling of the West High eleven. Charlie Weildmen is the new coach of Fulton.

Coach Siler was asked to give with his thoughts about the power of the new schools in Knox County for next season. Here is the Siler viewpoint: East High will have power for the first few seasons because the Knox High coaching staff have been looking for this change and have built their squads accordingly. They will have more than enough material there for the initial season and then some. Sam Jones and Moffett have worked to get all material they can for the storm.

Following the East High splurge Fulton will rise as the power in Knox while East High will skid down the football ladder. Petie is of the opinion that Fulton will top the ball club in the later years. Why? This is a trade school (just as Stair was) and many boys will be drawn there. At least more than have been there formerly.

So it is that Knox is predicted to fall from the throne that it once occupied as one of the high school powers on the football field. Power will be more evenly divided is the prediction. Is that bad?

But still, that yearly game between Knox High will be missed. Even though MHS usually got smeared that game drew as many Morristown fans as it did Knox. Morristown did stomp the KHS eleven once, as if everyone didn't remember. Knox may go but will be remembered.

Hurricanes Play Knox Tonight

Last Athletic Event With Trojan Team

Will be Called East High; MHS Boys Tournament

The Knox High Trojans basketball team will be in Morristown tonight to see if they can tame the MHS Hurricanes on the home court.

Beating the 'Canes on the hardwood in the Turkey Creek vicinity has been hard for most teams to do this year. It seems that some of the boys have a channel leading to the basket when it comes to tickling the net with the ball.

Knox is the third seeded team in the big city and have been tough on opponents all season. As usual Morristown will dribble onto the floor being the underdog but that has happened many times this season and Morristown has emerged with the most points more often that not. They have a habit of winning the game they are suppose to lose.

Petie Siler, coach, announced last night that the boys were up and when that happens they are a winning team. Another factor is that the locals will be seeking to bang out a win over Knox High for the last time in sport history. Knox High will be East High next year and the 'Canes will hear no more of the powerful Trojans. To send the big city boys back home after winning the last game, played with them would be a feather in any team's cap. After the conversation with Petie last night it seems that all of the MHS team needs a hat full of feathers and will be seeking such tonight. The game will begin at 8:15.

Crow Services Will be Today

Funeral services for Mrs. Cora Crown, 72, who died at 5:30 p. m. Sunday will be held at 2 p. m. Tuesday at Grove's Baptist Church in New Market. Interment will be in the church cemetery with Rev. James D. Lole officiating. She is survived by one daughter, Mrs. Roy Mitchell; three sons, Clyde, Louisville, Tenn.; George, Knoxville; Henry, New Market; and several grandchildren.

Pallbearers will be grandsons. The body will be removed from Horton's Funeral Home to the home of her son in New Market until time for the services.

Basil Wilder Now Sergeant

HAMILTON AIR FORCE BASE, California, February 20—Basil Willard Wilder, son of Mr. and Mrs. George W. Wilder, 211 North Cumberland St., Morristown, has been promoted to the grade of Sergeant in the Air Force, it was announced recently by Lieutenant Colonel Wayne E. Jones, his Commanding Officer.

Sergeant Wilder is a graduate of the National Business College, Knoxville, and past president of that chapter of the Phi Rho Zeta fraternity. He is a member of the American Legion and American Hairdressers Association.

He first entered the service in 1945 and after discharge in 1948, he was ordered back into the federal military service last September and is presently assigned to the western headquarters of the Airways and Air Communications Service (AACS) at this base, in charge of Personnel Accounting.

Portrums Hold First Place Spot

Portrums Cleaner held fast to the top spot in the Ladies League Friday night at the Peneto Alleys as the Sanitone girls took three games from Moore Motor Co. Ollie Smith led Portrums with a 439 series while Colene Morgan was high for Moore's with a 434.

Louise Haag was top roller in the league with a 457 series. Haag led the Nelson's Jewelry to a game win over Tube Rose Flour for the Tube Rose five with a 345 series.

"Butch" Archer had 195 high single for the night as her squad dropped two out of three to Hamilton Nath. Bank. Ruth Pearson was in the lead for the Bank squad with a 433 series. Mary Jarnagin rolled a 404 to top the DeBusk five.

Control South Bank of Han River

(Continued from Page one)

apree along a jagged 100-mile front between the Yellow Sea and the east-central mountains. It rolled northward four miles a north Korean searhead aimed at Chechon, the rail and road gateway to South Korea.

The northwest, American divisions closed against the Han River and jabbed across it five miles east of Seoul to set up a temporary bridgehead flanking the communist held capital.

The first time since they left Seoul early in January, the allies controlled virtually all the south bank of the winding Han from its head waters in the mountains to the Yellow Sea north west of Seoul.

American troops probing northwestward from captured Yangpyong on the north flank of the Han 20 miles east of Seoul, found abandoned Chinese equipment including bamboo spears tipped with steel blades. Field dispatches estimated that some 20 per cent of the Chinese were armed only with the medieval weapons.

As the Chinese faded back to close range thinned by more than 100,000 casualties, only the north Koreans on the Chechon flank south east of Wonju still fought back.

There American bombardment and swarms of planes swung over to the offensive.

Newsman Tells His Own Success Story

Throughout the years there have been numerous success stories of how this man or that man started from nothing and finally achieved prosperity. But the best of all success stories is where a man in a run-down condition finally gets to where he feels wonderful again. William Bogard, newspaper reporter in Sulphur Springs, Tex. has such a story to tell. Yes, now that Mr. Bogard is taking HADACOL, he says "I wish I could tell my story to every man and woman in the country who is suffering as I was suffering a deficiency of Vitamins B1, B12, Niacin and Iron, which HADACOL contains.

Here is Mr. Bogard's own statement telling how HADACOL helped him:

"Two years ago, at age 40, I was convinced that nothing remained for me in my life. The most encouraging words I ever heard were 'Maybe you will get straightened out after a while.' The only thing that really mattered to me was how I felt and the fact that my apparent decline had brought my many dreams and aspirations to total ruins before my feet.

"I heard and read many stories and testimonals concerning HADACOL, but, unfortunately for me, I didn't take any of them seriously. I considered these testimonials to be from fictitious people with imaginary ills who talked solely for money. How wrong I as! In spite of my wariness I decided to give HADACOL a try. I took great care that no one knew I was taking it because I feared their ridicule.

"I took three bottles of HADACOL before I began to 'feel' its effects. After that, my progress was steady and sure. My appetite picked up. I not only ate at meal time, which I had not been doing before, but I enjoyed in-between-meal snacks of delicacies which I had long since forgotten.

"I wish I could tell my story to every man and woman in the country who is suffering as I was suffering; I wish I could let them know and make them believe that what I say is all truth and none fiction."

Remember HADACOL is sold on a strict money-back guarantee. And so inexpensive. Trial-size bottle only $1.25. Large family or hospital size, $3.50. If your druggist does not have HADACOL, order direct from The LeBlanc Corporation, Lafayette, La.

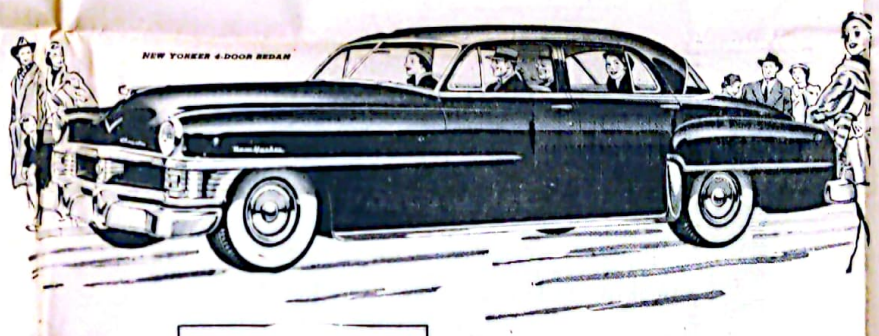
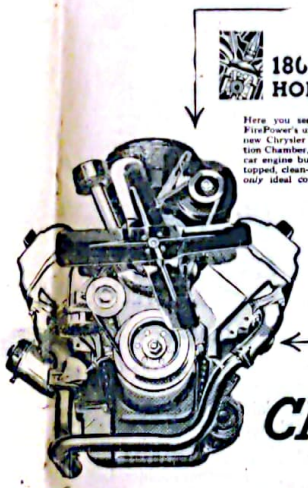
when you drive
FirePower

You will drive the most basically new car in 27 years!





180 HORSEPOWER

Here you see the central secret of FirePower's unmatched ability . . . the new Chrysler Hemispherical Combustion Chamber, heart of the finest motor car engine built today. In this dome-topped, clean-walled area, you see the *only* ideal combustion chamber in a motor car engine today . . . the *only* way to develop full combustion, full compression, full work and value from every drop of fuel!

FirePower specifications: 180 hp at 4000 rpm; Bore and Stroke, 3-13/16 x 3-3/8. Piston Displacement, 331.1 cu. in.; Compression Ratio, 7.5 to 1.

WHETHER you can own one this year or not . . . you owe yourself a turn at the wheel of a new Chrysler for 1951. Here is basic progress so deep and so great you will feel its impact for years to come.

Here is FirePower . . . Chrysler's revolutionary new powerplant which at one and the same time gives you 180 horsepower . . . and the most efficient use of gasoline ever developed in a motor car. With FirePower, you can outperform any car on the road. Yet with FirePower you will have less carbon deposit, longer engine life, less need for care and attention, than with any engine you ever owned. Here, on all new Chryslers, is the comfort marvel of Oriflow, an exclusive new shock absorber with *over twice the shock-absorbing power* of any other car's.

Here, optional at extra cost, is the amazing new steering ease of Hydraguide *power steering*, the new Chrysler "first" that removes four-fifths of the human effort from steering. Here, with over 70 various changes this year—and with deep-down Chrysler goodness clear through—*is the most basically new car you ever drove! For the thrill of a lifetime . . . come drive a Chrysler!*

Chrysler FirePower — Finest engine ever built in an automobile

Leader Urges West Carry Red Fight To Russian People

NEW YORK, Feb.19.—(UP)—A former member of an anti-Hitler movement in Germany today urged the west to carry the fight against communism into the heart of Russia by supporting underground groups within the Soviet Union.

"All is not well within Russia herself," Dr. T. K Bebek told the English-speaking union. "The rulers of the Kremlin face a crisis in their internal affairs."

He said the Soviet Union was composed of many different races and nationalities, some of them strongly opposed to the communist regime in Moscow.

"These people are fighting unceasingly against the Russian communist dictatorship," he said. "To make use of the anti-communist feeling of the subjugated nations would be total diplomacy. It would gain total support throughout the world."

Dr. Bebek, a lecturer on philosophy and international relations to the British armed forces, said one of Hitler's greatest mistakes was his failure to cooperate with Russians anxious to help overthrow the communist government.

"This historical fact has lesson for the west today," he said. "There is an opportunity for the west to fight Soviet communism on its own ground. It is as foolish to overestimate the strength of Soviet Russia as it is to underestimate it.

"The colossus has feet of clay, but it is a colossus. Its strength can only be met by strength—armed forces ready to strike at once, when necessary. But at the same time we should not forget those feet of clay.

"The west should take advantage of the weaknesses of the colossus.

Force must be met by force and not only outside Russia but inside Russia, too, by building up a second front behind the iron curtain."

PHILADELPHIA (U.P.)—Here's the perfect teacher, in the eyes of pupils at Friends Central School. She must have a sense of humor, give pupils a chance to laugh, never lose her temper and not give too much homework.

Tribute to Lincoln

SERVICE MAN and woman visit Lincoln Memorial Building in Washington to pay tribute to the great Emancipator, on the 142nd anniversary of his birth. (Defense Photo from International)
